1 WELCOME AND INTRODUCTION

A Royal Welcome

On behalf of the Jordan motor sporting family, I welcome you to the 2026 Jordan Rally, the third round of the FIA Middle East Rally Championship.

As with each of our previous editions, this year we promise a world-class event for our friends from across the Middle East rally community to enjoy.

My team at Jordan Motorsport is working hard alongside several Governmental agencies, organisations and security services to ensure this year's rally lives up to your high expectations.

We are proud of what this event has achieved over the years and despite us no longer being a part of the FIA World Rally Championship, we continue to organise our regional event to the very highest of standards.

Once again, we are working with our colleagues at the relevant security and health authorities to ensure that we deliver an event that puts safety and well-being at the core for everyone involved, as well as the wider Jordanian population.

This year we have the Thursday morning Shakedown stage of 5km, followed on the Friday and Saturday by nearly 200 competitive kilometres of challenging tracks through the Jordan Valley that have pushed some of the best drivers of the past 20 years to their limits.

We pride ourselves on organising one of the most compact and centralised rallies in the world with everything located within a stone's throw of our Dead Sea HQ.

You can expect a very warm Jordanian welcome from May 14-16, when hopefully I will get to see many of you at 'the lowest point on earth'.

Feisal Al Hussein

Chairman

Jordan Motorsport

This will take place in the Podium area within one hour after the finish podium and winners' photo session. Members of the media team will be on hand to liaise with the winning drivers and co-drivers.

16.6 Expected Coverage

We can expect strong local and regional coverage, as well as the international motorsport media showing an interest in how the event takes shape.

Extensive written media coverage is expected in both the English and Arabic media with distribution reaching thousands of media contacts worldwide.

Jordan Television, Al-Mamlaka TV will send teams to cover, while several regional broadcasters have shown an interest and are expected to attend or receive footage.

The event radio partners: Hala 102.1 and Bliss 104.3 will be based at the Dead Sea Service Park to ensure the event reaches a wide national audience through regular live updates.

16.7 Media Safety

We do acknowledge that the Media plays an important role in our events and that each member must be permitted to carry out his or her duty in the best possible surroundings. However, they are not exempted from having to respect safety regulations. In general, this should not interfere with their ability to perform their duties. Nevertheless, safety will always take priority. Such is the open nature of the Rally; we request that our media colleagues pay special attention to our marshals' advice and orders this year and take extra safety precautions themselves. Please enjoy a safe event.

17 MEDICAL AND SAFETY SERVICES

A Field Medical Clinic managed by the Royal Medical Services will be in the Dead Sea Service Park.

The Organisers of Jordan Rally have developed a medical and safety system based on a hospital network that will be on alert all throughout the Rally, and on the accurate coordination of emergency vehicles and ambulances.

The comprehensive network will provide health assistance to both crews and spectators. The team consists of several first intervention vehicles (FIV) and Ambulances based at the start of Special Stages and other critical locations in the stages.

The system will also have the support of a first aid station (field medical Centre) stationed at the Service Park. A medical helicopter stationed near the Service Park will provide assistance in difficult to reach areas and be ready to transfer injured patients. Qualified doctors and specially trained assistants are on board every vehicle. Two nearby hospitals are on alert, and the medical helicopter will fly to larger hospitals in Amman.

18 USEFUL FACTS AND SERVICES

18.1 Climate

Jordan is located 80 kilometres east of the eastern coast of the Mediterranean Sea. It's located between 29°11'N and 33°22'N, and between 34°19'E and 39°18'E with an area of 89329 km2, more than 80% is classified as arid areas.

The Dead Sea's climate offers year-round sunny skies and dry air with low pollution. It has less than 50 mm mean annual rainfall and a summer average temperature between 32 and 39 °C. Winter average temperatures range between 20 and 23 °C.

The region has weakened ultraviolet radiation, particularly the UVB rays, and an atmosphere characterized by a high oxygen content due to the high barometric pressure.

The shore is the lowest dry place in the world. Proximity to the sea affects the temperature of a place because the sea temperature changes due to the penetration of the sun in the summer. During winter months, sea temperatures tend to be much higher than summer temperature and vice versa during summer months, this is the outcome of slow penetration from the sun into the sea as it is a huge mass and takes a long time to warm up. The region's climate and the unique conditions created by its low elevation have made it a popular centre for several types of therapies.

For the most up to date weather information, you can visit Jordan Meteo Dept. or at Arab Weather.

18.1.1 Dead Sea Sunrise/Sunset times

Date	Sunrise	Sunset
Thursday May 14th	05:40	19:25
Friday May 15th	05:40	19:26
Saturday May 16th	05:39	19:27

18.2 Time Zone

- Official Time in Jordan: UTC time +3 hours.

18.3 Airports

Amman Queen Alia International airport (QAIA) is located 32km south of Amman and is served by regular taxis. The taxi fare is regulated, and rental cars are readily available.

Teams can travel with ease with the exceptional VIP meet and greet services for travellers at the airport with TIKRAM. TIKRAM can be contacted at www.tikram.jo or at + 962 (7) 7847 7817.

- Queen Alia Int. Airport +962 (6) 500 2777
- Royal Jordanian flight information +962 (6) 5100 000
- Jordan Aviation +962 (6) 550 1760

18.4 Visa Requirements

Visitors with valid passport may obtain a visa at the borders or airport upon arrival or from any Jordanian Embassy or Consulate abroad. Visas are valid for two weeks from date of entry. The cost depends on Nationality; some Nationals can enter free.

For more information, refer to Ministry of Interior website www.moi.gov.jo.

IMPORTANT: For assistance in issuing any entry visa, kindly send passport copy no later than **May 1st, 2026,** to info@jordanrally.com. This information will be sent to all Competitors upon submitting the Entry Form.

18.5 Travel

Royal Jordanian Airlines links Amman with many of the capitals of Europe, South Asia and the Arab World, and operates wide body jets to New York and Chicago. Many other international air carriers also operate regularly to Amman.

Queen Alia International Airport south of Amman is one of the modern facilities in the Middle East. Excellent International roads link Jordan with surrounding countries. Taxi services is available around the clock.

Travel within Jordan is well organised and agreeable. A very good roads system is constantly being expanded, upgraded, and maintained, and most of the sites a visitor would want to see are at most within a few hours' drive from Amman. Jordan's road signs are marked in English and Arabic, and there are petrol stations and rest houses at regular intervals throughout the country.
